

THE MANAGER'S TOOLKIT

Maritim Resort & Spa Balaclava

1 - 2 June 2022

In today's era, Management Skills are critical for people leading teams whether they are Managers, Team Leaders or Supervisors. The Manager's Toolkit is a practical training programme that will provide you with an excellent foundation for the skills set and behaviours required to be an outstanding manager and team leader in today's challenging work environment. The Manager's Toolkit is designed to equip talented young professionals to push their potential to be ready to take on greater responsibilities and exciting new challenges.

COURSE OUTLINE:

Managing v/s Leading
Achieving goals through people
Effective time management
Communicating effectively
The art of delegation
Employee recognition & motivation
Conflict management & resolution
Performing & solving problems as a team
Running effective meetings
Proactive approach to managing performance

COURSE OBJECTIVES:

- Understand fundamentals of effective management
- Communicate assertively and effectively with your team
- Differentiate between managing and leading people
- Learn how to manage and resolve conflicts
- Understand how to set and achieve goals
- Learn how to conduct team meetings effectively
- Improve efficiency of your team at work
- Learn techniques to manage performance

TRAINING METHODOLOGY:

Interactive and participatory, including presentations and facilitation by the trainer, group exercises, roundtable discussions, video clips, case studies and debriefing. Participants will gain both theoretical and practical knowledge of the topics. The emphasis will be on the practical application of the topics and, as a result, participants will go back to the workplace with both the ability and the confidence to apply the techniques learned to their duties.

WHO SHOULD ATTEND:

Managers, Team leaders, Supervisors and any person managing teams.
